

2024 KENYA NOTES EDITION TOLEO LA NOTI

The Central Bank of Kenya has released an updated series of banknotes starting with KES 1,000. The banknote is similar to the previous series and will circulate alongside those previously issued. Changes made on the banknote include New Signatures for the Governor and Member, Year of Print Specified as 2024 and Security Thread.

FEEL/GUSA | LOOK/TAZAMA | TILT/PINDUA

FEEL/GUSA

Run your fingers over the note:

1 Feel **KENYA**

2 Feel **VALUE**

3 Feel **THE EDGE**

LOOK/TAZAMA

Hold up to the light and from both sides you will see:

4 The watermark shows a perfect lion's head, the text CBK and the value of the banknote.

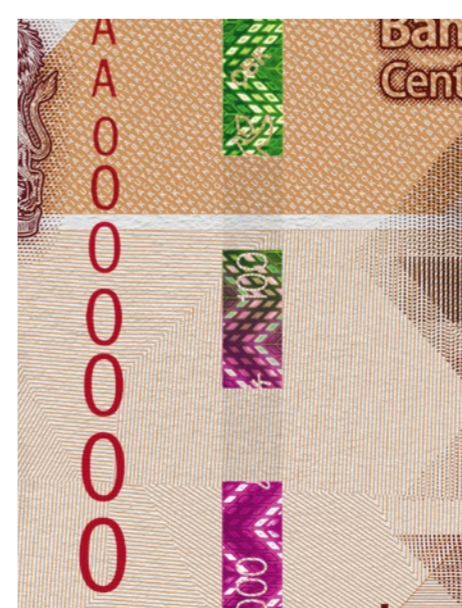

5 The security thread appears as a continuous line.

TILT/PINDUA

If you tilt at an angle you will see:

6 The security thread changes colour when tilted.

7 The golden band shows the value of the banknote and is visible under Ultra-violet (UV) light.
